

#AGS22 Schedule-at-a-Glance

Wednesday, May 11, 2022		
Time (EDT)	Session	Track
2:00pm – 3:00pm	AGS CoCare HELP: Breakout session (Veteran sites) Role of the Elder Life Nurse Specialist, retention, and professional development; CME/CE: 1.0 Presenters: <b>Miriam Beattie, DNP, GNP</b> , HELP Elder Life Nurse Specialist, <i>University of Utah Health</i> , Phyllis Glass MSN, RN-BC, Manager, Elder Life Nurse Specialist, <i>University of Pittsburgh Medical Center Shadyside</i>	Clinical Practice
6:00pm – 7:00pm	Tideswell Leaders in Aging Program Special Interest Group presentation: “Starting a New Leadership Position (Past and present Tideswell scholars) Co-Chairs: Megan Young, MD; <b>Timothy W. Farrell, MD, AGSF</b> ; Liron Sinvani, MD; Maile Karris, MD  The mission of the SIG is to support Tideswell scholars and leaders in geriatrics through mentorship, networking, continued leadership training, and scholarship with the ultimate goal of a commitment to enhancing the care of older adults through clinical work, research and education.	Networking

Thursday, May 12, 2022		
Time (EDT)	Session	Track
8:15am – 9:15am	VACCINATION IN OLDER ADULTS Room: CME/CE: 1.0 Track: Moderator: Timothy W. Farrell, MD, AGSF This session is focused on vaccinations among older adults and will include presentations on the current state of vaccinations, roadblocks to increasing vaccinations, and the opportunity geriatrics health professionals have to improve immunization rates. The presentations will be followed by a question-and-answer section. This session is an introduction to an AGS project to improve adult immunization rates for COVID-19, Influenza, and other routine adult vaccinations. The project, Improving Adult Immunization Rates for COVID19, Influenza, and Routine Adult Vaccinations through Partnerships and Medical Subspeciality Professional Societies, is a subaward under a Council of Medical Specialty Societies (CMSS) contract with the CDC. Learning Objectives: (1) describe the current state of vaccinations in older adults; (2) review the causes of	Clinical Practice

	<p>vaccine hesitancy and what can be done to overcome them; and (3) discuss AGS' vaccination project and how geriatrics health professionals can help improve immunization rates.</p> <p>State of the Art Kenneth E. Schmader, MD  Addressing Vaccine Hesitancy Sharon Brangman, MD  Improving Older Adult Immunization Rates: Our CDC Project and What Geriatrics Health Professionals Can Do Timothy W. Farrell, MD, AGSF</p>	
11:30am – 12:30pm	<p>GERIATRIC EDUCATION PAPER SESSION  Room: CME/CE Credit: 1.0  Moderator: Reena Karani, MD, MHPE This session will present the latest peer-reviewed geriatrics research with questions and answers to follow. Learning Objectives: (1) discuss new and original geriatrics research; (2) describe an emerging concept or new scientific focus in aging research; and (3) summarize the key findings of projects with relevance to care of older adults.</p> <p>P8 - A Survey of Fellowship-Trained Physicians Who Let Their Geriatric Medicine Certification Lapse: Preliminary Findings Kathryn Ross, MBE  P9 - Tech Allies for Health: Increasing Telehealth Access for Older Adults during COVID-19 Alicia V. Neumann, PhD, MPA  P10 - ECHO in Action: Impact, Barriers, and Lessons Learned Across Six Age-Friendly Geriatric ECHOs C. Carrico,<sup>1</sup> C. McKibbin,<sup>1</sup> K. Bennett,<sup>2</sup> C. Brunner,<sup>3</sup> K. Thompson,<sup>4</sup> T. V. Caprio,<sup>5</sup> A. Faul.<sup>6</sup> <i>1. Psychology, University of Wyoming College of Arts and Sciences, Laramie, WY; 2. University of Washington School of Medicine, Seattle, WA; 3. The University of Utah School of Medicine, Salt Lake City, UT; 4.
